SPS services the Loan on behalf of Deutsche Bank National Trust Company, as Trustee, in trust for the registered Holders of Long Beach Mortgage Loan Trust 2003-1, Asset-Backed Certificates, Series 2003-1 ("Deutsche Bank").

4. The Loan Records reflect that Marshall P. Cline and Mary Elaine Cline ("Clines") obtained the Loan from Long Beach Mortgage Company ("Long Beach") on November 27, 2002 (the "Loan"). The Loan Records reflect that the terms of the Loan are set forth in a Texas Home Equity/Adjustable Rate Note ("Note") and a Texas Home Equity Security Instrument ("Security Instrument"). The Loan Records further reflect that the Note and Security Instrument were subsequently assigned to Deutsche Bank, who is the investor that currently owns the Loan ("Deutsche Bank"). Exhibit 1 attached hereto is a true and correct copy of the Note. Exhibit 2 attached hereto is a true and correct copy of the Security Instrument that is filed in the official public records of Dallas County, Texas. Exhibit 3 attached hereto is a true and correct copy of the Assignment of Lien that is filed in the official public records of Dallas County, Texas.

5. The Loan Records reflect that Long Beach transferred the servicing of the Loan to Washington Mutual Bank, FA ("WaMu") effective November 27, 2002. The Loan Records further reflect that through a series of transactions in 2006, WaMu became the ultimate successor in interest to Long Beach by operation of law. Exhibit 4 attached hereto is a true and correct copy of an Affidavit of Facts from the Secretary of WaMu.

6. The Loan Records reflect that the Clines signed a Loan Modification Agreement on June 27, 2008, which established new terms for the payment of the Loan effective July 1, 2008, and that payments would resume on August 1, 2008. Exhibit 5 attached hereto is a true and correct copy of the Loan Modification Agreement.

7. The Loan Records reflect that, on September 25, 2008, WaMu was closed by the Office of Thrift Supervision and the FDIC was named receiver. The Loan Records further reflect that, pursuant to a Purchase and Assumption Agreement between the FDIC as receiver of WaMu and JP Morgan Chase Bank, National Association ("Chase") dated September 25, 2008, Chase became the owner of all the loans and loan commitments of WaMu by operation of law. Exhibit 6 attached hereto is a true and correct copy of an Affidavit of the Federal Deposit Insurance Corporation.

8. The Loan Records reflect that, on November 5, 2008, the Clines were sent a "Notice of Intent to Accelerate and Demand for Payment," which demanded payment of three monthly installments due on the Loan for September 1, 2008 through November 1, 2008. Exhibit 7 attached hereto is a true and correct copy of the November 5, 2008 Notice of Intent to Accelerate and Demand for Payment.

9. The Loan Records reflect that, on August 5, 2009, the Clines were sent another "Notice of Intent to Accelerate and Demand for Payment," which demanded payment of twelve monthly installments due on the Loan for September 1, 2008 through August 1, 2009. Exhibit 8 attached hereto is a true and correct copy of the August 5, 2009 Notice of Intent to Accelerate and Demand for Payment.

10. The Loan Records also reflect that the Clines were sent another letter on August 5, 2009, which informed them that their Loan may be eligible for a loan modification review, and asked the Clines to call to discuss various options. Exhibit 9 attached hereto is a true and correct copy of the August 5, 2009 letter from WaMu's Homeowner's Assistance Department.

11. The Loan Records reflect that, on August 15, 2009, a letter was sent to the Clines informing them that they had been approved for a Trial Plan Agreement, and that they would be considered for a permanent workout solution once the Trial Plan was completed. The August 15, 2009 letter enclosed a copy of the Trial Plan Agreement, and asked the Clines to sign and return it by September 15, 2009. Exhibit 10 attached hereto is a true and correct copy of the August 15, 2009 letter (with the enclosed Trial Plan Agreement) from WaMu's Loss Mitigation Department.

12. The Loan Records reflect that the Clines signed the Trial Plan Agreement on August 28, 2009, whereby the Clines agreed that the Loan was due for the months of September 1, 2008 through August 1, 2009, and that they would make three payments in the amount of \$9,158.90 on or before September 1, 2009, October 1, 2009, and November 1, 2009, respectively. Exhibit 11 attached hereto is a true and correct copy of the Trial Plan Agreement signed by the Clines.

13. The Loan Records reflect that Chase received three payments from the Clines on August 31, 2009, October 16, 2009, and November 19, 2009, each of which was in the amount of \$9,158.90. The Loan Records reflect that all three of those payments were applied to the Loan. The Loan Records further reflect that those were the last payments made by the Clines on the Loan, and that the Loan is currently due for the November 1, 2008 payment and all subsequent payments. Exhibit 12 attached hereto is a true and correct copy of a payment histories for the Loan that SPS received from the prior mortgage servicers, WaMu and Chase. Exhibit 13 attached hereto is a true and correct copy of SPS's Payment History Report for the Loan covering the time period during which SPS has been the mortgage servicer.

The Loan Records reflect that, on November 6, 2009, Chase sent a letter to the Clines advising that, as of November 3, 2009, it had not received the trial payment due on November 1, 2009, and further advising that certified funds were required if the Loan was in foreclosure. Exhibit 16 attached hereto is a true and correct copy of the November 6, 2009 letter.

17. The Loan Records reflect that, on November 25, 2009, Chase sent a letter to the Clines advising that it was still missing documentation necessary to evaluate the Clines'

modification request. **Exhibit 17** attached hereto is a true and correct copy of the November 25, 2009 letter.

20. The Loan Records reflect that, on February 18, 2010, Chase determined that the Clines did not qualify for a modification through the federal government's Making Home Affordable modification program because the unpaid principal balance on the Loan was higher than the program limit. The February 18, 2010 letter also informed the Clines that they may be eligible for other modification programs offered by Chase. **Exhibit 20** attached hereto is a true and correct copy of the February 18, 2010 denial letter.

28. The Loan Records reflect that, on January 7, 2011, Chase sent a letter to the Clines entitled "Acceleration Warning (Notice of Intent to Foreclose)," which advised the Clines, among other things, that the Loan was in default because the Clines had failed to pay the required monthly installments commencing with the payment due on November 1, 2008, and that if the Clines failed to cure the default within thirty-two (32) days from the date of this letter, Chase would accelerate the maturity of the Loan. Exhibit 28 attached hereto is a true and correct copy of the January 7, 2011 Acceleration Warning (Notice of Intent to Foreclose).

29. The Loan Records reflect that, on August 26, 2011, a "Notice of Acceleration" was sent to the Clines by CODILIS & STAWIARSKI, P.C. 30. [Property Address]

1. BORROWER'S PROMISE TO PAY

This is an extension of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution (the "Extension of Credit"). In return for a loan that I have received, I promise to pay U.S. \$ 663,600.00 (this amount is called "principal"), plus interest, to the order of the Lender. The Lender is LONG BEACH MORTGAGE COMPANY. I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

I understand that this is not an open-end account that may be debited from time to time or under which credit may be extended from time to time.

The property described above by the Property Address is subject to the lien of the security instrument executed concurrently herewith (the "Security Instrument").

2. INTEREST

Interest will be charged on unpaid principal until the full amount of principal has been paid. I will pay interest at a yearly rate of 6.990 %. The interest rate I will pay may change in accordance with Section 4 of this Note. The interest rate required by this Section 2 and Section 4 of this Note is the rate I will pay both before and after any default described in Section 7(B) of this Note. It is agreed that the total of all interest and other charges that constitute interest under applicable law shall not exceed the maximum amount of interest permitted by applicable law. Nothing in this Note or the Security Instrument shall entitle the Note Holder upon any contingency or event whatsoever, including by reason of acceleration of the maturity or prepayment of the loan, to receive or collect interest or other charges that constitute interest in excess of the highest rate allowed by applicable law on the principal or on a monetary obligation incurred to protect the property described above authorized by the Security Instrument, and in no event shall I be obligated to pay interest in excess of such rate.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making payments every month.

I will make my monthly payments on the first day of each month beginning on January 1, 2003. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. My monthly payments will be applied to interest before principal. If, on December 1, 2032, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at WaMu Bank, PO Box 1093, Northridge, CA 91328, or at a different place if required by the Note Holder.

(B) Amount of My Initial Monthly Payments

Each of my initial monthly payments will be in the amount of U.S. \$ 4,410.49. This amount may change.

(C) Monthly Payment Changes

Changes in my monthly payment will reflect changes in the unpaid principal of my loan and in the interest rate that I must pay. The Note Holder will determine my new interest rate and the changed amount of my monthly payment in accordance with Section 4 of this Note.

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES**(A) Change Dates**

The initial fixed interest rate I will pay will change to an adjustable interest rate on the first day of December, 2004, and the adjustable interest rate I will pay may change on that day every 6th month thereafter. Each date on which my adjustable interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the average of interbank offered rates for 6 month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in *The Wall Street Journal*. The most recent Index figure available as of the date 45 days before the Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding **FOUR and 99/100** percentage point(s) (**4.990 %**) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal successive monthly payments, each of which will exceed the amount of accrued interest as of the date of the scheduled installment. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than **7.9900%** or less than **6.9900%**. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than **ONE** percentage point(s) (**1.00 %**) from the rate of interest I have been paying for the preceding 6 months. My interest rate will never be greater than **12.9900 %**, which is called the "Maximum Rate" or less than **6.9900 %**, which is called the "Minimum Rate."

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

5. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment." When I make a prepayment, I will tell the Note Holder in writing that I am doing so.

I may make a full prepayment or partial prepayments without paying any prepayment charge. The Note Holder will use all of my prepayments to reduce the amount of principal that I owe under this Note. If I make a partial prepayment, there will be no changes in the due dates of my monthly payments unless the Note Holder agrees in writing to those changes. My partial prepayment may reduce the amount of my monthly payments after the first Change Date following my partial prepayment. However, any reduction due to my partial prepayment may be offset by an interest rate increase.

6. LOAN CHARGES AND FEES

All agreements between Note Holder and me are expressly limited so that any interest, loan charges or fees (other than interest) collected or to be collected from me, any owner or the spouse of any owner of the property described above in connection with the origination, evaluation, maintenance, recording, insuring or servicing of the Extension of Credit shall not exceed, in the aggregate, the highest amount allowed by applicable law.

If a law, which applies to this loan and which sets maximum interest, loan charges or fees, is finally interpreted so that the interest, loan charges or fees collected or to be collected in connection with this loan exceed the permitted limits, or a determination is made at any time by the Note Holder that interest, loan charges or fees collected or to be collected in connection with this loan exceed the permitted limit, then: (i) any such interest, loan charges or fees shall be reduced by the amount necessary to reduce the interest, loan charges or fees to the permitted limit; and (ii) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the principal I owe under this Note or by making a direct payment to me. If a refund reduces principal, the reduction will be treated as a partial prepayment. My acceptance of any such refund will constitute a waiver of any right of action I might have arising out of such overcharge.

It is the express intention of the Note Holder and me to structure this Extension of Credit to conform to the provisions of the Texas Constitution applicable to extensions of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution. If, from any circumstance whatsoever, any promise, payment, obligation or provision of this Note, the Security Instrument or any other loan document involving this Extension of Credit transcends the limit of validity prescribed by applicable law, then such promise, payment, obligation or provision shall be reduced to the limit of such validity, or eliminated as a requirement if necessary for compliance with such law, and such document shall be automatically reformed without the necessity of the execution of any new amendment or new document.

The provisions of this Section 6 shall supersede any inconsistent provision of this Note or the Security Instrument.

7. BORROWER'S FAILURE TO PAY AS REQUIRED**(A) Late Charge for Overdue Payments**

If the Note Holder has not received the full amount of any monthly payment by the end of **FIFTEEN (15)** calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be **6.00 %** of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice by certified mail telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is deposited in the United States mail, postage prepaid and addressed to me at my last known address as shown by the records of the Note Holder. This Note may not be accelerated because of a decrease in the market value of the property described above or because of the property owner's default under any indebtedness not evidenced by this Note or the Security Instrument.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law including Section 50(a)(6), Article XVI of the Texas Constitution. Those expenses include, for example, reasonable attorneys' fees. I understand that these expenses are not contemplated to be incurred in connection with maintaining or servicing this Extension of Credit.

8. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given in writing by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address. However, if the purpose of the notice is to notify Note Holder of failure by the Note Holder to comply with Note Holder's obligations under this Extension of Credit, or noncompliance with any provisions of the Texas Constitution applicable to extensions of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution, then notice by certified mail is required.

9. OBLIGATIONS OF PERSONS UNDER THIS NOTE

Subject to the limitation of personal liability described below, each person who signs this Note is responsible for ensuring that all of the Borrower's promises and obligations in this Note are performed, including the payment of the full amount owed. Any person who takes over these obligations is also so responsible.

I understand that Section 50(a)(6)(C), Article XVI of the Texas Constitution provides that this Note is given without personal liability against each owner of the property described above and against the spouse of each owner unless the owner or spouse obtained this Extension of Credit by actual fraud. This means that, absent such actual fraud, the Note Holder can enforce its rights under this Note solely against the property described above and not personally against any owner of such property or the spouse of an owner.

If this Extension of Credit is obtained by such actual fraud, I will be personally liable for the payment of any amounts due under this Note. This means that a personal judgment could be obtained against me if I fail to perform my responsibilities under this Note, including a judgment for any deficiency that results from Note Holder's sale of the property described above for an amount less than is owing under this Note.

If not prohibited by Section 50(a)(6)(C), Article XVI of the Texas Constitution, this Section 9 shall not impair in any way the right of the Note Holder to collect all sums due under this Note or prejudice the right of the Note Holder as to any promises or conditions of this Note.

10. WAIVERS

I and any other person who has obligations under this Note waive the rights of presentment and notice of dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

11. SECURED NOTE

In addition to the protections given to the Note Holder under this Note, the Security Instrument, dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. The Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

12. APPLICABLE LAW

This Note shall be governed by the laws of the State of Texas and any applicable federal law. In the event of any conflict between the Texas Constitution and other applicable law, it is the intent that the provisions of the Texas Constitution shall be applied to resolve the conflict. In the event of a conflict between any provision of this Note and applicable law, the applicable law shall control to the extent of such conflict and the conflicting provisions contained in this Note shall be modified to the extent necessary to comply with applicable law. All other provisions in this Note will remain fully effective and enforceable.

13. NO ORAL AGREEMENTS

THIS NOTE CONSTITUTES A "WRITTEN LOAN AGREEMENT" PURSUANT TO SECTION 26.02 OF THE TEXAS BUSINESS AND COMMERCE CODE, IF SUCH SECTION APPLIES. THIS WRITTEN AGREEMENT REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property"; provided however, that the Property is limited to homestead property in accordance with Section 50(a)(6)(H), Article XVI of the Texas Constitution.

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) hazard insurance premiums for the Property and; (d) flood insurance premiums for the Property, if any. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 *et seq.* ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are not pledged as additional security for any sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion. Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under Paragraphs 1 and 2 shall be applied: first, to amounts payable under Paragraph 2; second, to interest due; third, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in Paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Paragraph 4. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with Paragraph 7.

Loan No: 4939203

Data ID: 490

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible. If the restoration or repair is not economically feasible, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in Paragraphs 1 and 2 or change the amount of the payments. If under Paragraphs 20 or 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower now occupies and uses the Property as Borrower's Texas homestead and shall continue to occupy the Property as Borrower's Texas homestead for at least one year after the date of this Security Instrument. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in Paragraph 17, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default and may be held personally liable for debt evidenced by the Note or this Security Instrument if Borrower gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a Texas homestead. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender, so far as allowed by applicable law, may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this Paragraph 7, Lender does not have to do so. No powers are granted by Borrower to the Lender or Trustee that would violate provisions of the Texas Constitution applicable to extensions of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution or other applicable law.

Any amounts disbursed by Lender under this Paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, shall be paid to Lender to be applied to the sums secured by this Security Instrument.

In the event of a total or partial taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in Paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the original Borrower or Borrower's successors in interest from Borrower's obligations under the Note and this Security Instrument. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of Paragraphs 16 and 23. Borrower's covenants and agreements shall be joint and several subject to the provisions of Paragraph 23. Any Borrower who co-signs this Security Instrument, but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument or to comply with the requirements of Section 50(a)(6)(A), Article XVI of the Texas Constitution providing for execution hereof, in order to establish a valid lien, by the spouse of each owner of the Property; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Lender's Right-to-Comply. It is Lender's and Borrower's intention to conform strictly to provisions of the Texas Constitution applicable to extensions of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution.

All agreements between Lender and Borrower are hereby expressly limited so that in no event shall any agreement between Lender and Borrower, or between either of them and any third party, be construed not to allow Lender a reasonable time to comply, as provided in this paragraph 12, with Lender's obligations under the Extension of Credit. Borrower understands that the Extension of Credit is being made on the condition that Lender shall have a reasonable time to comply, as provided in this Paragraph 12, with any of the provisions of the Texas Constitution applicable to extensions of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution. As a precondition to taking any action premised on failure of Lender to comply, Borrower will advise Lender of the noncompliance by a notice given as required by Paragraph 13, and will give Lender a reasonable time to comply. Borrower will cooperate in reasonable efforts to effectuate any compliance. Only after Lender has received said notice, has had a reasonable time to comply, and Lender has failed to comply, shall all principal and interest be forfeited by Lender, as required by Section 50(a)(6)(Q)(x), Article XVI of the Texas Constitution in connection with failure by the Lender to comply with its obligations under this Extension of Credit.

In the event that, for any reason whatsoever, any obligation of Borrower or of Lender pursuant to the terms or requirements hereof or of any other loan document shall be construed to violate any of the provisions of the Texas Constitution applicable to extensions of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution, then any such obligation shall be subject to the provisions of this Paragraph 12, and such document shall be automatically reformed, without the necessity of the execution of any amendment or new document, so that Borrower's or Lender's obligation shall be modified to conform to the Texas Constitution, and in no event shall Borrower or Lender be obligated to perform any act, or be bound by any requirement which would conflict therewith.

All agreements between Lender and Borrower are expressly limited so that any interest, loan charge or fee collected or to be collected (other than by payment of interest) from Borrower, any owner or the spouse of any owner of the Property in connection with the origination, evaluation, maintenance, recording, insuring or servicing of the Extension of Credit shall not exceed, in the aggregate, the highest amount allowed by applicable law.

If a law, which applies to this loan and which sets maximum interest, loan charges or fees is finally interpreted so that the interest, loan charges or fees that the Lender has collected or is entitled to collect in connection with this loan exceed the permitted limits, or a determination is made at any time by Lender that interest, loan charges or fees that the Lender has collected or is entitled to collect in connection with this loan exceed the permitted limit, then: (i) any such interest, loan charges or fees shall be reduced by the amount necessary to reduce the interest, loan charges or fees to the permitted limit; and (ii) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. The Lender may choose to make this refund by reducing the principal Borrower owes under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment. Borrower's acceptance of any such refund will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

It is the express intention of the Lender and Borrower to structure this Extension of Credit to conform to the provisions of the Texas Constitution applicable to extensions of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution. If, from any circumstance whatsoever, any promise, payment, obligation or provision of the Note, this Security Instrument or any other loan document involving this Extension of Credit transcends the limit of validity prescribed by applicable law, then any promise, payment, obligation or provision shall be reduced to the limit of such validity, or eliminated as a requirement if necessary for compliance with such law, and such document shall be automatically reformed without the necessity of the execution of any new amendment or new document.

Lender's right-to-comply as provided in this Paragraph 12 shall survive the payoff of the Extension of Credit. The provision of this Paragraph 12 shall supersede any inconsistent provision of the Note or this Security Instrument.

Loan No: 4939203

13. Notices. Any notice to Borrower provided for in this Security Instrument shall be given in writing by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given in writing by first class mail (but, by certified mail if the notice is given pursuant to Paragraph 12 hereof) to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this Paragraph 13.

14. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of Texas. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

15. Copies. Borrower shall be given at the time this Extension of Credit is made, a copy of all documents signed by the Borrower related to the Extension of Credit.

16. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

17. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) five days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to the power of sale contained in this Security Instrument after entry of a court order permitting exercise of such power of sale; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses, insofar as allowed by Section 50(a)(6), Article XVI of the Texas Constitution, incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Paragraph 16.

18. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with Paragraph 13 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

19. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this Paragraph 19, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this Paragraph 19, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

20. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Paragraph 16 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice will result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke any remedies permitted by applicable law. Insofar as allowed by Section 50(a)(6), Article XVI of the Texas Constitution, Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Paragraph 20, including, but not limited to, court costs, reasonable attorneys' fees and costs of title evidence.

The lien evidenced by this Security Instrument may be foreclosed upon only by a court order. Lender may, at its option, follow any rules of civil procedure promulgated by the Texas Supreme Court for expedited foreclosure proceedings related to the foreclosure of liens under Section 50(a)(6), Article XVI of the Texas Constitution ("Rules"), as amended from time to time, which are hereby incorporated by reference. The power of sale granted herein shall be exercised pursuant to such Rules, and Borrower understands that such power of sale is not a confession of judgment or a power of attorney to confess judgment or to appear for the Borrower in a judicial proceeding.

21. Power of Sale. It is the express intention of Lender and Borrower that Lender shall have a fully enforceable lien on the Property. It is also the express intention of the Lender and Borrower that Lender's default remedies shall include the most expeditious means of foreclosure available by law. Accordingly, the Lender and Trustee shall have all the powers provided herein except insofar as may be limited by the Texas Supreme Court. To the extent the Rules do not specify a procedure for the exercise of a power of sale, the following provisions of this Paragraph 21 shall apply, if Lender invokes the power of sale. Lender or Trustee shall give notice of the time, place and terms of sale by posting and filing the notice at least 21 days prior to sale as provided by applicable law. Lender shall provide a copy of the notice of sale to Borrower in the manner prescribed by applicable law. Sale shall be made at public vendue between the hours of 10 a.m. and 4 p.m. on the first Tuesday of the month. Borrower authorizes Trustee to sell the Property to the highest bidder for cash in one or more parcels and in any order Trustee determines. Lender or its designee may purchase the Property at any sale. In the event of any conflict between such procedure and the Rules, the Rules shall prevail, and this provision shall automatically be reformed to the extent necessary to comply.

Trustee shall deliver to the purchaser who acquires title to the Property pursuant to the foreclosure of the lien a Trustee's deed conveying indefeasible title to the Property with covenants of general warranty. Borrower covenants and agrees to defend generally the purchaser's title to the Property against all claims and demands. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, court costs and reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

If the Property is sold pursuant to this Paragraph 21, Borrower or any person holding possession of the Property through Borrower shall immediately surrender possession of the Property to the purchaser at that sale. If possession is not surrendered, Borrower or such person shall be a tenant at sufferance and may be removed by writ of possession.

Lender, at its option and with or without cause, may from time to time remove Trustee and appoint, by power of attorney or otherwise, a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

22. Release. Within a reasonable time after termination and full payment of the Extension of Credit, the Lender shall cancel and return the Note to the owner of the Property and give the owner, in recordable form, a release of the lien securing the Extension of Credit or a copy of an endorsement of the Note and assignment of the lien to a lender that is refinancing the Extension of Credit. Owner shall pay only recording costs. **OWNER'S ACCEPTANCE OF SUCH RELEASE, OR ENDORSEMENT AND ASSIGNMENT, SHALL EXTINGUISH ALL OF THE LENDER'S OBLIGATIONS UNDER SECTION 50, ARTICLE XVI OF THE TEXAS CONSTITUTION.**

23. Non-Recourse Liability. Lender shall be subrogated to any and all rights, superior title, liens and equities owned or claimed by any owner or holder of any liens and debts outstanding immediately prior to execution hereof, regardless of whether said liens or debts are acquired by Lender by assignment or are released by the holder thereof upon payment.

Subject to the limitation of personal liability described below, each person who signs this Security Instrument is responsible for ensuring that all of Borrower's promises and obligations in the Note and this Security Instrument are performed.

Borrower understands that Section 50(a)(6)(C), Article XVI of the Texas Constitution provides that the Note is given without personal liability against each owner of the Property and against the spouse of each owner unless the owner or spouse obtained this Extension of Credit by actual fraud. This means that, absent such actual fraud, the Lender can enforce its rights under this Security Instrument solely against the Property and not personally against the owner of the Property or the spouse of an owner.

If this Extension of Credit is obtained by such actual fraud, then, subject to Paragraph 11, Borrower will be personally liable for the payment of any amounts due under the Note or this Security Instrument. This means that a personal judgment could be obtained against Borrower, if Borrower fails to perform Borrower's responsibilities under the Note or this Security Instrument, including a judgment for any deficiency that results from Lender's sale of the Property for an amount less than is owing under the Note, thereby subjecting Borrower's other assets to satisfaction of the debt.

If not prohibited by Section 50(a)(6)(C), Article XVI of the Texas Constitution, this Paragraph 23 shall not impair in any way the lien of this Security Instrument or the right of Lender to collect all sums due under the Note and this Security Instrument or prejudice the right of Lender as to any covenants or conditions of the Note and this Security Instrument.

24. Proceeds. The Borrower has not been required to apply the proceeds of the Extension of Credit to repay another debt except a debt secured by the Property or a debt to another lender.

25. No Assignment of Wages. The Borrower has not assigned wages as security for the Extension of Credit.

26. Acknowledgment of Fair Market Value. Lender and Borrower have executed a written acknowledgment as to the fair market value of Borrower's Property on the date the Extension of Credit is made.

27. Rider(s) to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the riders were a part of this Security Instrument. THIS LOAN HAS A VARIABLE RATE OF INTEREST AS AUTHORIZED BY
SECTION 50(a)(6)(O), ARTICLE XVI OF THE TEXAS CONSTITUTION

**TEXAS HOME EQUITY
FIXED/ADJUSTABLE RATE RIDER**

(Libor Index—Rate Caps)
(Cash Out—First Lien)

THIS FIXED/ADJUSTABLE RATE RIDER is made this 27th day of November, 2002, and is incorporated into and shall be deemed to amend and supplement the Security Instrument of the same date given by the undersigned (the "Borrower") to secure Borrower's Fixed/Adjustable Rate Note (the "Note") to LONG BEACH MORTGAGE COMPANY (the "Lender") of the same date and covering the Property described in the Security Instrument and located at:

5419 BENT TREE
DALLAS, TEXAS 75248
[Property Address]

THE NOTE PROVIDES FOR A CHANGE IN THE BORROWER'S FIXED INTEREST RATE TO AN ADJUSTABLE INTEREST RATE. THE NOTE LIMITS THE AMOUNT THE BORROWER'S ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial fixed interest rate of 6.990 %. The Note also provides for a change in the initial fixed interest rate to an adjustable interest rate, as follows:

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The initial fixed interest rate I will pay will change to an adjustable interest rate on the first day of December, 2004, and the adjustable interest rate I will pay may change on that day every 6th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the average of interbank offered rates for 6 month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in The Wall Street Journal. The most recent Index figure available as of the date 45 days before the Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding FOUR and 99/100 percentage point(s) (4.990 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

2002 243 04471

Loan No: 4939203

Data ID: 490

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal successive monthly payments, each of which will exceed the amount of accrued interest as of the date of the scheduled installment. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 7.9900% or less than 6.9900%. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than ONE percentage point(s) (1.00 %) from the rate of interest I have been paying for the preceding 6 months. My interest rate will never be greater than 12.9900 %, which is called the "Maximum Rate" or less than 6.9900 %, which is called the "Minimum Rate."

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

By Signing Below, Borrower accepts and agrees to the terms and covenants contained in this Texas Home Equity Fixed/Adjustable Rate Rider.

DO NOT SIGN IF THERE ARE BLANKS LEFT TO BE COMPLETED IN THIS DOCUMENT.

**AFFIDAVIT OF FACTS
WASHINGTON MUTUAL BANK, SUCCESSOR IN INTEREST TO
LONG BEACH MORTGAGE COMPANY.**

I, William L. Lynch, having first been duly sworn, hereby make this Affidavit and say that:

1. I am the Secretary of Washington Mutual Bank (the "Company") and, as such, have custody of the corporate records of the Company.

2. I make and execute this Affidavit based upon my personal knowledge of the contents of the corporate records of the Company.

3. The Company and Wilmington Trust Company, a Delaware banking corporation ("Wilmington Trust"), were the sole parties to the Revocable Trust Agreement dated as of June 7, 2006 (the "Trust Agreement") between the Company, as Trustor, the Company, as General Trustee, and Wilmington Trust, as Administrative Trustee (the "Administrative Trustee"), which created a trust hereinafter referred to as the "Trust." A complete and correct copy of the Trust Agreement is attached hereto as Exhibit A. At all times during the existence of the Trust, the Company was the sole beneficiary under the Trust Agreement and of the Trust. The Company and Wilmington Trust, as the sole parties to the Trust Agreement, never amended the Trust Agreement to change the sole beneficiary or to add a beneficiary, or in any other respect. The Company never assigned or otherwise transferred all or any part of its interest as sole beneficiary under the Trust Agreement and of the Trust.

4. The Company owned all the outstanding stock of Long Beach Mortgage Company, a Delaware corporation ("Long Beach"), prior to the conversion of Long Beach into a Delaware limited liability company, of which the Company was the sole member, as described in paragraph 6, below.

5. Long Beach was converted from a Delaware corporation into a Delaware limited liability company, Long Beach Mortgage Delaware LLC (the "LLC"), of which the Company was the sole member, on July 1, 2006. A true, correct and complete copy of the Certificate of Formation as filed with the Secretary of State of the State of Delaware on July 1, 2006 is attached hereto as Exhibit B and a true, correct and complete copy of the Certificate of Conversion as filed with the Secretary of State of the State of Delaware on July 1, 2006 is attached hereto as Exhibit C. As a result of the conversion, the LLC became the successor in interest to Long Beach by operation of law.

6. Following the conversion of Long Beach into the LLC, the LLC was merged into the Trust. A true, correct and complete copy of the Certificate of Merger merging the LLC into the Trust as filed with the Secretary of State of the State of Delaware on July 1, 2006 is attached hereto as Exhibit D. As a result of the merger, the Trust became the successor in interest to the LLC by operation of law.

7. After the LLC was merged into the Trust, the Administrative Trustee resigned pursuant to the Notice of Resignation effective at 3:03 A.M. EDT on July 1, 2006 (the "Resignation"). A true, correct and complete copy of the Resignation is attached hereto as Exhibit E. Upon the effectiveness of the Resignation, there was no distinction between the beneficiary and the sole remaining trustee of the Trust and therefore the Company, as sole beneficiary and sole trustee, became the successor in interest to the Trust by operation of law.

8. As a result of the transactions described above, the Company is the ultimate successor in interest to Long Beach, the LLC and the Trust by operation of law.

Executed this 3rd day of July, 2006.

The Company has not adopted
any form of Corporate Seal.

REVOCABLE TRUST AGREEMENT

REVOCABLE TRUST AGREEMENT, dated as of this 7th day of June, 2006, between Washington Mutual Bank, a federal savings association, as "Trustor," and Washington Mutual Bank, as "General Trustee," and Wilmington Trust Company, a Delaware banking corporation, as "Administrative Trustee" (collectively the General Trustee and Administrative Trustee are referred to hereinafter as "Trustees," each a "Trustee").

Trust Property

I. Trustor desires to form and Trustees desire to accept a trust hereunder, with Trustor being the sole beneficiary thereof, to be effective as of the date of execution of this agreement by both General Trustee and Administrative Trustee. Certain property described in Schedule A attached hereto is herewith delivered to Trustees. Such property, together with such other property acceptable to Trustees as may hereafter be received and held by Trustees, shall comprise the "trust fund."

Management

II. Trustees shall hold and administer the trust fund, collect the income, pay the taxes, charges and expenses properly attributable to the trust and distribute the net income and principal as hereinafter provided:

(A) From the effective date of this agreement until December 31, 2006 (the "Trust Term"): Trustor shall be sole beneficiary of the trust formed hereunder, and Trustees shall pay to Trustor all of the net income of the trust fund, in convenient installments but not less frequently than annually, and so much of the principal thereof as Trustor may at any time or times request in writing.

(B) Upon the expiration of the Trust Term, Trustees shall distribute the then remaining principal and income of the trust fund, if any, to Trustor.

Trustee Powers

III. Trustees shall have all of the powers and authority granted to trustees by Delaware law, including, without limitation, the powers granted under Sections 3324 and 3325 of Title 12 of the Delaware Code.

Trustees

IV. Other provisions governing Trustees are:

(A) Appointment of Successor Trustees: In the event of the inability or unwillingness to serve of the initial or any successor General Trustee or Administrative Trustee, Trustor may, but need not, appoint a successor Trustee.

(B) Resignation: Any Trustee may resign as General Trustee or Administrative Trustee, as applicable, at any time and for any reason by written notice delivered to Trustor. Any such resignation shall be effective as of the future date and time specified in the notice or upon delivery of the notice if no such future effective date and time is specified in the notice whether or not a successor Trustee has been appointed.

(C) Compensation: General Trustee shall not be entitled to compensation. Administrative Trustee shall be entitled to compensation as agreed from time to time between Trustor and Administrative Trustee.

(D) Accountings: Trustees shall be relieved of any obligation to give bond, to provide any surety, or to submit any inventory or account of this trust to any public official or court having jurisdiction over the trust.

(E) Special Liability Provision: Neither General Trustee nor Administrative Trustee shall incur any liability by reason of any error of judgment, mistake of law, or action of any kind taken or omitted to be taken in connection with the administration of the trust, except for a matter involving such Trustee's own willful misconduct, proven by clear and convincing evidence in the court then having primary jurisdiction over the trust. General Trustee, Administrative Trustee and each former General Trustee and former Administrative Trustee shall be fully indemnified by the Trustor and the trust fund against (1) any claim or demand by any person having an interest in the trust, trust creditor or third party arising on account of, or in connection with, any action taken or omitted to be taken in connection with the administration of the trust formed hereunder, except for any claim or demand based on that General Trustee's or Administrative Trustee's own willful misconduct proven by clear and convincing evidence in the court then having primary jurisdiction over the trust, and (2) any cost or expense (including reasonable attorney fees) incurred by General Trustee or Administrative Trustee in connection with any claim or demand for which General Trustee or Administrative Trustee is entitled to indemnification hereunder. Such right of indemnification shall survive the termination of the trust. In no event shall General Trustee or Administrative Trustee be liable for any matter with respect to which it is not authorized to participate hereunder or for any act or action occurring before it first became a General Trustee or Administrative Trustee hereunder.

(F) Administrative Trustee: Notwithstanding any other provisions of this agreement, Administrative Trustee shall have no duties or obligations hereunder except to the extent described in this Paragraph and General Trustee acting alone shall perform all of those Trustee duties and exercise all of those Trustee powers not specifically assigned to Administrative Trustee pursuant to this Paragraph. Administrative Trustee shall have no implied

duties and shall have only the following exclusive duties, which shall all be carried out in the State of Delaware and shall be performed by Administrative Trustee in its sole discretion and not at the direction of General Trustee:

- (1) To maintain bank accounts, brokerage accounts and other custody accounts which receive trust income and contributions and from which trust expenditures and distributions are disbursed.
- (2) To maintain storage of tangible personalty and evidence of intangible trust property.
- (3) To maintain trust records.
- (4) To maintain an office for Trustee meetings and other trust business.
- (5) To originate, facilitate and review trust accountings, reports and other communications with Trustor, General Trustee, beneficiaries and unrelated third parties.
- (6) To respond to written inquiries concerning the trust formed hereunder from Trustor, General Trustee, beneficiaries and unrelated third parties.
- (7) To execute documents with respect to trust account transactions.
- (8) To retain accountants, attorneys, investment counsel, agents and other advisers in connection with the performance of Administrative Trustee's duties.

Administrative Trustee shall have no other duties, obligations, or authority and General Trustee shall perform all of the other duties of Trustee and need not obtain the consent

of, consult with, or otherwise advise, Administrative Trustee prior to exercising its powers or performing its duties under this agreement. General Trustee may remove Administrative Trustee at any time without cause and need not appoint a successor Administrative Trustee.

Miscellaneous Terms

V. The other provisions governing this agreement are:

(A) Third Party Responsibility: No one dealing with Trustees need verify the application of any money paid or property delivered to Trustees, inquire into the necessity or propriety of Trustees' exercise of any of the powers herein conferred, or determine the existence of any fact upon which Trustees' power to perform any act hereunder may be conditioned.

(B) Revocation: Trustor shall at all times have the right by an instrument in writing, executed and delivered to Trustees, to amend or terminate this agreement, either in whole or in part, although an amendment shall not substantially change the duties, powers, liabilities and compensation of Trustees without their consent, and Trustees shall be paid their expenses in delivering any property with reference to which the agreement is terminated.

(C) Construction and Controlling Law: This is a Delaware agreement and forms a Delaware trust. All matters pertaining to the validity, construction, and application of this agreement or to the administration of the trust formed by it shall be governed by Delaware law.

(D) Merger: In the event Administrative Trustee is removed or resigns and Trustor becomes, in addition to being the sole beneficiary, the sole Trustee of the trust hereunder, Trustor intends that the legal title and beneficial ownership in the trust fund shall thereupon merge in Trustor by operation of law.

12. **Warranties.** Borrower does hereby state and warrant that the above described Note is valid and enforceable in all respects and is not subject to any claims, defenses or right of offset or credit except as herein specifically provided. Borrower does further hereby extend all liens and security interests on all of the Subject Property and any other rights and interests which now or hereafter secure said Note until said Note as modified hereby has been fully paid, and agree that this modification and extension will in no manner impair the Note or any of the liens and security interests securing the same and that all of the liens, equities, rights, remedies and security interests securing said Note shall remain in full force and effect and shall not in any manner be waived. Borrower further agrees that all of the terms, covenants, warranties and provisions contained in the original Note and Security Instrument are now and shall be and remain in full force and effect as therein written, except as otherwise expressly provided herein, until the Note is paid in full and all other obligations under the Security Instrument and this Agreement are fulfilled.

13. **Further Assurances.** Borrower does further state and warrant that all of the recitals, statements and agreements contained herein are true and correct and that Borrower is the sole owner of the fee simple title to all of the Subject Property securing the Note.

14. **Acknowledgement by Borrower.** As part of the consideration for this Agreement, Borrower agrees to release and waive all claims Borrower might assert against the Trust and or its agents, and arising from any act or omission to act on the part of the Trust or it's agents, officers, directors, attorneys, employees and any predecessor-in-interest to the Note and Security Instrument, and which Borrower contends caused Borrower damage or injury, or which Borrower contends renders the Note or the Security Instrument void, voidable, or unenforceable. This release extends to any claims arising from any judicial foreclosure proceedings or power of sale proceedings if any, conducted prior to the date of this Agreement. Borrowers have and claim no defenses, counterclaims or rights of offset of any kind against the Trust, Washington Mutual or against collection of the Loan.

0073629479

15. Bankruptcy Considerations. Notwithstanding anything to the contrary contained in this Agreement, the Parties hereto acknowledge the effect of a discharge in bankruptcy that may have been granted to the Borrower prior to the execution hereof and that the Note holder may not pursue the Borrower for personal liability. However, the Parties acknowledge that the mortgagee/beneficiary retains certain rights, including but not limited to the right to foreclose its lien against the Subject Property under appropriate circumstances. Nothing herein shall be construed to be an attempt to collect against the Borrower personally or an attempt to revive personal liability, if the Borrower has obtained a discharge of that liability from a United States Bankruptcy Court.
